Delectable Food For Every Occasion

AT THE HEART OF ALL GREAT PARTIES

OUR STORY

OUR RICH TRADITION OF EXCELLENCE

We come from a local family of renowned caterers, cooking for others with as much passion as we would for ourselves. Since 2009, our parent company RichFood Group has paved the way for our sister companies NouRiche, Tingkat Delivery and Rejuven to become Singapore's leading specialist caterers.

RichFood Catering is no exception to this familial trajectory of culinary success. It is a track record, a shared DNA for excellence that empowers us to set the benchmark for catered parties, celebrations and events. In fact, the gold standard is what you would expect of any RichFood Group caterer to bring to your table.

At RichFood Catering, we understand that the success of any party big or small, is almost always about the food. Because long after the lights come on and the décor gets taken down, what people remember most is the food they ate. Simple or elaborate, dishes served to your guests can make a memorable occasion, well, even more memorable. So plan an unforgettable feast with us. After all, we are the leading caterer Singapore trusts to make every milestone celebration a delicious success.

OUR PROMISE

MAKING EVERY MILESTONE CELEBRATION EXTRAORDINARY

There is a saying that the more you celebrate life, the more there is in life to celebrate. Yet, this simple truth is often overlooked in our hustle and bustle world. We need to make time to honour birthdays, anniversaries, weddings, births, promotions, new ventures... If we are given the privilege to be present at these special occasions, our mission to serve unforgettable celebratory meals is truly accomplished.

BRINGING PEOPLE TOGETHER AT EVERY RICHFOOD TABLE

An intimate dinner for a few close friends, a lavish function for 200 corporates or even bento boxes and packed meals for a working lunch, RichFood Catering has delighted everyone with an innovative variety of local flavours and international favourites. While we are deeply appreciative of our customers, we know never to rest on our laurels as Singapore's preferred caterer.

TIME TO GIVE GUESTS YOUR FULL ATTENTION

This is the RichFood Catering advantage when you let us take care of the food. Then all you have to do is sit back, relax and enjoy the company of your guests. Because we would have taken care of everything from the start, by listening closely to what you need.
